STATEMENT OF QUALIFICATIONS

Roger D. Martin, Special Agent,
Bureau of Alcohol, Tobacco and Firearms, and Explosives
Las Vegas, NV

I, Roger D. Martin, hereby declare and state:

1. That I am employed as a Special Agent with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), and have been so employed since February 2005. As a Special Agent with ATF, one of my responsibilities is conducting criminal investigations concerning alleged violations of the Federal firearms laws. I have acquired knowledge and experience as to firearms and ammunition and the interstate nexus of firearms and ammunition, due to investigations, research, records, familiarity, conferring with other experts, training, teaching, and certifications. I prepare reports and official correspondence relating to the identification, origin, and classification of firearms and ammunition under the provisions of the Federal firearms laws.
2. That during the course of my duties, I have examined numerous firearms and hundreds of rounds of ammunition for the purpose of determining the manufacturer, model, caliber/gauge, and serial number; the place of manufacture; function and design, and/or status as related to National Firearms Act.
3. That I have contacted the ATF National Tracing Center on numerous occasions and requested firearms traces concerning the manufacture and interstate/intrastate shipment of firearms. I have also assisted numerous Federal, state and local law enforcement agencies with firearm traces.
4. That I have had numerous contacts with firearms dealers and manufacturers who are Federal firearms licensees, regarding licensing application, firearms transfer, acquisition, disposition, and compliance, and criminal enforcement matters and continue to do so as part of ATF's liaison with the firearms industry.
5. That I have a Bachelor of Science Degree in Business Administration from Wayland Baptist University, Texas.
6. That I have received formal training for law enforcement and military personnel in both a general and specific nature as it pertains to the recognition and identification of firearms and ammunition and their place of manufacture. This training includes, but is not limited to the following:

Basic Training, U.S. Army, Fort Polk, LA
Ammunition Handler Course, U. S. Army, Redstone Arsenal, Alabama
